ERDI HACIOGULLARI

Front-End Engineer | UI & UX Designer

Portfolio: erdiha.com | 323-533-9851 | erdiha@gmail.com | LinkedIn

Passion, skills, and unique perspective for responsive, adaptive, and user-friendly websites and apps. Seeking to contribute, learn, and grow my skills as part of a team committed to excellence.

Skills

C#/C++, JavaScript (TypeScript), Node.js, React, jQuery, HTML5, DOM, CSS3, GIT, Tailwind, NextJS, SQL, NoSOI

Fluent in Turkish and English.

Representative Projects

Each project created using Typescript, React, Tailwind, and NextJS

Thoodies | 2023

A recipe website and search engine designed for a simple and efficient user experience, to avoid weeding through paragraphs of personal narratives. Just recipes. No filler.

MyFlix | 2022

A Netflix mockup website to demonstrate my ability to re-create and iterate upon one of the most popular website experiences online.

MyCamper | 2022

An individualized park finder allowing users to search for and bookmark any national park in the US, based on my personal love of road trips, adventure, and nature.

Quiz Game 2022

A fun interactive quiz game website that can be played with one or two players.

Additional Work Experience

Airbnb, Host | 2011-2015 Istanbul, Turkey

- Rented two rooms in central Istanbul, hosting over 400 guests from across the globe.
- Rated top Istanbul Airbnb host by customers.
- Demonstrated leadership, time management, multi-tasking, and property management skills.

The DOMA Project, Volunteer | 2012-2014

Advocated in support of same sex marriage through the repeal of the Defense of Marriage Act.

Education

Bachelor of Computer Science, University of California, Los Angeles | June 2022

Representative Coursework: Software Engineering (JavaScript, Python, C#, C++), Fundamentals of Artificial Intelligence, Computer Graphics, Data Mining, Data Science, Machine Learning, and Entrepreneurship and Venture Capital.
